## **THE GENERAL STORE**

We have been unsuccessful at recruiting new resident volunteers to the General Store. At the recent Resident Town Hall meeting there was some discussion as to what should be done about this situation. One option discussed was to cut back on the hours the store is open, possibly going to opening every other day. If this happens, how will it impact you, our customers? Please let Gina know your thoughts on this.

## **THE GARDEN CLUB**

Our home always has beautiful flower beds and planters. This is thanks to the handful of residents who are part of the Garden Club. We are always looking for hard working hands to help maintain the beauty of our home. If you like the outdoors and are not afraid to do some hard work, please speak to Ivan Woolley or leave your name with Gina in the Recreation Department at extension 555.

## **THE NEW RESIDENT ORIENTATION**

Are you new to Harmony Hill? Are you having a bit of trouble adjusting or meeting other residents? Have some questions? We invite you to attend our New Resident Orientation and Tea. These are on the calendar, scheduled for every Thursday morning at 11:00 in the Activity Room. We will provide you with information regarding housekeeping, maintenance, recreation, Bistro and Dining Room service. Hope to meet you there!

## **MARKETING OPEN HOUSE**

On Saturday March 7, from 1:00 until 4:00 we are hosting an Open House focusing on the Orchard and Forest buildings. Please tell friends about this open house. As an additional incentive to attract new residents, the Marketing Department is offering a Referral program. If you have a friend that signs a lease and moves into our home, you both receive a bonus. Be sure to register your name and your friend's name with either Christian-Anne or Nancy.

## **KNITTING FOR AUSTRALIA**

Thank you to everyone who was knitting for this cause. Once you finish any articles you have been working on please bring them to the Recreation Office.
